Living & Entertainment

The open-plan lounge and dining area feature tiled floors, a built-in braai, and high pine ceilings. The kitchen offers melamine countertops, built-in cupboards, a gas hob, and an eye-level oven, with a separate scullery for added convenience. A dedicated study provides a private workspace. A large entertainment room with a bar and built-in braai overlooks the garden and pool. Water tanks with automated irrigation keep the greenery lush, though some minor TLC is needed.
